#### **The Fifth Woman by Henning Mankell**

In an African convent, four nuns and a unidentified fifth woman are brutally murdered--the death of the unknown woman is covered up by the local police. A year later in Sweden, Inspector Kurt Wallander is baffled and appalled by two murders. Holger Eriksson, a retired car dealer and bird watcher, is impaled on sharpened bamboo poles in a ditch behind his secluded home, and the body of a missing florist is discovered--strangled and tied to a tree. The only clues Wallander has to go on are a skull, a diary, and a photo of three men.

The 2:00 p.m. movie will be the Fifth Woman episode from the BBC Kurt Wallander series. Time and interest permitting, perhaps another episode in the series could be shown.

## The Last Word

This is a short edition because I didn't receive many contributions and I've just started writing a new novel and "can't put it down". I've even stopped watching videos so that I can spend more time writing.

Happy Celebrations to all whether it's Independence Day or Canada Day!
